# Kapci Top 730

## Description

Kapci Top 730 is a high quality matt finish based on modified acrylic emulsion with excellent washability, hiding power and whiteness for interior surfaces.

## Technical Data

Viscosity	37±3 ku
Solid content	56±3%
Density	1.52±0.03gm/cm <sup>3</sup>
Gloss	Matt
Coverage	7-10 m <sup>2</sup> /kg (Dry film thickness 40-45µ)

## Product Features

- Alkali resistant;
- Washable (up to 10000 cycles);
- Excellent non-yellowing properties;
- Excellent hiding power;
- High whiteness;
- Dirt pick-up resistant;
- Excellent leveling;

## Substrates and surface preparation

Kapci Top 730 is recommended for application over bricks, plaster, concrete or cement sheets. All new or already painted surfaces should be free from dust, grease and waxes.

## Application

### Over new surfaces

1. Apply Kapci Sealer 751 in one coat;
2. Apply Kapci Putty 750 in two cross layers;
3. Apply Kapci Sealer 751 in one coat again;
4. Apply suitable type of emulsion paint (Kapci Latico 737 or Kapci Coat 733) in one coat;
5. Apply Kapci Top 730 in two coats after dilution with water (15 % dilution) to reach the application viscosity.

Decorative  
Paints

### **Old surface painted with oil or alkyd paints**

1. Sand and remove the dust;
2. Apply Kapci Super Matt 766 in one coat;
3. Apply Kapci Sealer 751 in one coat;
4. Apply Kapci Top 730 as a top coat in two coats after dilution with water (15 % dilution) to reach the application viscosity;

### **Old painted surface with emulsion paints**

1. Wash with water and liquid soap;
2. Rinse with water;
3. Apply Kapci Super Matt 751 in one coat;
4. Apply Kapci Top 730 in two coats after dilution with water (15 % dilution) to reach the application viscosity.

### **Drying time at 25 °C & 60% R.H**

Initial drying time	1h
Recoating time	4h
Final drying time	6h

### **Tools**

Brush, roller or airless spray gun  
Cleaner: water

### **Color**

White and can be colored

### **Expiry**

Two years from production date if stored in original sealed container at normal temperature.  
Keep away from direct sun light.
